

Dear distributor,

Please find enclosed a copy of **MiniMedia's 2011 fall supplement!** This flyer follows last year's New Ideas supplement and offers new and exciting items. Make sure to review these new opportunities that are sure to enhance and promote your customers image!

With 2012 just around the corner, watch for our NEW 2012 catalogue. This brand new catalogue will consolidate all new items created since 2009 and will also bring new ideas to your selling arsenal... If you wish to receive more copies of this year supplement or last year supplement or even our main 2009 catalogue, simply complete and fax this document back to us at numbers indicate below.

Economic times may be tough but we are offering at MiniMedia economical products that are doing the work day after day. Looking for lower budget items? Visit our website and find many different items, manufactured locally, available for you and your clients. **Intrigued by QR codes?** Again, simply visit our website or scan the QR code on this flyer and find out how easy it is to create a QR code for your client and discover why paper and cardboard products are the perfect vehicle for QR codes.

Thank you for your constant support over 54 years of existence and best wishes for a fantastic fall selling season!

Your Friends at Mini Media.
